Profile

Creative and detail-oriented Frontend Developer and UI Designer with hands-on experience building responsive web interfaces and applications. Proficient in combining aesthetic design with seamless functionality using modern web technologies. Passionate about clean code, user-centric design, and continuous learning.

Education

- **Bachelor of Computer Applications (B.C.A.)** 2023 – Present
Guru Ghasidas Vishwavidyalaya, Bilaspur
GPA: 8.3/10.0 (**ZERO Arrears**)
- Higher Secondary Education (12th Grade) 2021 – 2023
Academic World School, Bemetara
PERCENTAGE: 81.5%

Projects

Image Gallery

Created a dynamic and responsive image gallery using HTML, CSS, and JavaScript with filtering and popup features.

Calculator

Built a basic calculator app using JavaScript for performing arithmetic operations with a clean UI.

Personal Portfolio

Developed and deployed a personal portfolio to showcase my work, skills, and contact information.

Achievements & Experience

- Built multiple frontend projects independently and deployed them for use.
- Participated in online hackathons and design challenges.
- Self-learning driven, continuously upgrading skills in UI design and web development.
- Regularly contribute to open-source UI components and design resources.
